

## EarthCare Covenant

Our consciousness reveals that all of creation is connected as one. The story of creation reveals that we are to be good caregivers of the creation. As a people of faith, we commit to a renewed reverence for life and respect for the interdependent web of all existence. We honor our spiritual commitment to the care, support and defense of the balance between our individual needs and those of nature. We agree to transform our individual and congregational lives into acts of moral witness, discarding harmful habits for new behaviors that demonstrate our respect for this harmony and interconnectedness.

We declare our covenant with God to walk upon the Earth for the greatest good of all creation.

Adopted this, the 14th day of January, 2010.
